New Faculty Forum: Getting Published

Aminah Robinson Fayek
Specialty Editor, Cost and Schedule: ASCE Journal of Construction Engineering and Management
Associate Editor, Construction: Canadian Journal of Civil Engineering
Tips to Getting Published

- Know the journal – scope, applied vs. theoretical
- State your contributions explicitly
- Explain your work as you would teach it
- Make sure your paper is grammatically correct and reads well – be a perfectionist
- Do not argue with reviewers
- Know when to try a different venue – make use of reviewers’ comments
